Associate Degree Plans

## Table of Contents

- Cardiovascular Technician
- Emergency Medical Services Paramedic Army
- Emergency Medical Services SOF (SOCM) (Army)
- Emergency Medical Services SOF (SOCM) (Navy)
- Education and Training Administration and Leadership (ETAL)
- Histology Technician (Air Force)
- Histology Technician (Navy)
- Medical Laboratory Technician (Army)
- Medical Laboratory Technician (Navy)
- Neurodiagnostic Technologist ( Air Force)
- Neurodiagnostic Technologist (Navy)
- Occupational Therapy Assistant (Army)
- Occupational Therapy Assistant (Navy)
- Ophthalmic Technician (Air Force)
- Ophthalmic Technician (Army)
- Opticianry (Army)
- Opticianry (Navy)
- Pharmacy Technician (Air Force)
- Pharmacy Technician (Army)
- Pharmacy Technician (Coast Guard)
- Pharmacy Technician (Navy)
- Preventive Medicine Technician (Army)
- Preventive Medicine Technician (Navy)
- Radiation Health Technician (Navy)
- Radiologic Technologist (Air Force)
- Radiologic Technologist (Army)
- Radiologic Technologist (Navy)
- Respiratory Care Practitioner (Air Force)
- Respiratory Therapy (Army)
- Respiratory Therapy (Navy)
- Urology Technician (Air Force)
- Urology Technician (Navy)

**Uniformed Service University**  
**College of Allied Health Sciences**

**Degree Plan**

**Degree: Associate of Science in Health Sciences (ASHS)**

**Major: Cardiovascular Technician (Navy)**

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of “C-” or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

General Education Requirements (30)	Hours	Major / General Elective Requirements (30)	Hours
<b>Communication (6 minimum)</b>		<b>Major Technical Field of Study (minimum 15)</b>	
Oral – Transfer Coursework	3	CVTT 1140* Cardiovascular Pathophysiology w/ Lab	1
Written - Transfer Coursework	3	CVTT 1120* Cardiovascular Radiology Equipment & Methodology	1
<b>Quantitative Science (9 minimum)</b>		CVTT 2504* Diagnostic Echocardiography w/Lab	5
CVTT 2301* Critical Care	3	CVTT 1350* Cardiac Catheterization w/Lab	3
CVTT 1304* Cardiovascular Anatomy & Physiology w/Lab	3	CVTT 1204* Diagnostic Electrocardiography I w/Lab	2
CVTT 1202* Physics for the Health Sciences	2	CVTT 1305* Diagnostic Electrocardiography II w/Lab	3
CVTT 1203* Cardiovascular Pharmacology	2	CVTT 1206* Electrophysiology w/Lab	2
CVTT 2158* Blood Gas Analysis	1	CVTT 2501* Cardiovascular Technologist Clinical I	5
<b>Human Science (6 minimum)</b>		CVTT 2502* Cardiovascular Technologist Clinical II	5
CVTT 1301* Essentials of Medical Law & Ethics for Health Professionals	3	CVTT 3601* Cardiovascular Technologist Clinical III	6
Social Science - Transfer Coursework	3	CVTT 2503* Catheterization Clinical Rotation I	5
<b>Additional General Education</b>		CVTT 3501* Catheterization Clinical Rotation II	5
CVTT 2102* Pre-Clinical & Registry Assessment	1	CVTT 3401* Catheterization Clinical Rotation III	4
General Education 1 - Transfer Coursework	3		
General Education 2 - Transfer Coursework	3		
<b>General Education Requirements Total</b>	<b>30</b>	<b>Major /Gen Elective Requirements Total (minimum 30)</b>	<b>47</b>

\*These courses are part of the Cardiovascular Technician core requirements for Navy and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 08 Dec 2021

Degree Plan

**Degree: Associate of Science in Health Sciences (ASHS) Major: Emergency Medical Services Paramedic (Army)**

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of “C-“ or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisite:

- Combat Medic Specialist (68W) with current EMT-B certification.

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
<b>Communication ( 6 minimum)</b>		<b>Major Technical Field of Study (15 minimum )</b>	
Oral – Transfer Coursework	3	EMSP 2305* - Clinical – Paramedic	3
EMSA 2301* - Technical Writing	3	EMSP 2109* - Clinical II – Paramedic	1
<b>Quantitative Science (9 minimum)</b>		EMSP 2402* - Medical Emergencies	4
Math – Transfer Coursework	3	EMSP 2308* - Special Populations	3
EMSP 1401* - Anatomy and Physiology I w/Lab	4	EMSP 2403* - Cardiology	4
EMSP 2201* - Emergency Pharmacology	2	EMSP 2210* - Practicum – Paramedic	2
<b>Human Science (6 minimum)</b>		EMSP 2401* - Anatomy and Physiology II w/Lab	4
Humanity – Transfer Coursework	3	<b>General Electives</b>	
Social Science – Transfer Coursework	3	EMSA 1204* - Clinical Advanced Emergency Medical Technician	2
<b>Additional General Education</b>		EMSA 1402* - Introduction to Advanced Practice	4
EMSA 1303* - Trauma Management	3	EMSA 2107* - Assessment Based Management	1
EMSA 2302* - Emergency Medical Services Operations	3	EMSA 2106* - Advanced Cardiac Life Support	1
General Education – Transfer Coursework	3	EMSA 1301* - Patient Assessment and Airway Management	3
<b>General Education Requirements Total (30 minimum)</b>	<b>30</b>	<b>Major/General Elective Requirements Total (30 minimum)</b>	<b>32</b>

\*These courses are part of the Emergency Medical Services-Paramedic core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 24 May 2021

Uniformed Services University

College of Allied Health Sciences

Degree Plan

**Degree: Associate of Science in Health Sciences (ASHS)**

**Major: Emergency Medical Services-Paramedic (Army-SOF)**

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
<b>Communication ( 6 minimum)</b>		<b>Major Technical Field of Study (15 minimum )</b>	
EMSA 3332* - Communication Skills for Health Care Professionals	3	EMSP 2305* - Clinical I – Paramedic	3
EMSA 2301* - Technical Writing	3	EMSP 2109* - Clinical II – Paramedic	1
<b>Quantitative Science (9 minimum)</b>		EMSP 2402* - Medical Emergencies	4
EMSA 1309* - Medical Math	3	EMSP 2308* - Special Populations	3
EMSP 1401* - Anatomy and Physiology I w/Lab	4	EMSP 2403* - Cardiology	4
EMSP 2201* - Emergency Pharmacology	2	EMSP 2210* - Practicum – Paramedic	2
<b>Human Science ( 6 minimum)</b>		EMSP 2401* - Anatomy and Physiology II w/Lab	4
Social Science – Transfer Coursework	3	<b>General Electives</b>	
EMSA 2321* - Health Care Provider Medical Ethics	3	EMSA 1204* - Clinical Advanced Emergency Medical Technician	2
<b>Additional General Education</b>		EMSA 1402* - Introduction to Advanced Practice	4
EMSA 1303* - Trauma Management	3	EMSA 2107* - Assessment Based Management	1
EMSA 2302* - Emergency Medical Services Operations	3	EMSA 2106* - Advanced Cardiac Life Support	1
General Education – Transfer Coursework	3	EMSA 1301* - Patient Assessment and Airway Management	3
<b>General Education Requirements Total (30 minimum)</b>	<b>30</b>	<b>Major/General Elective Requirements Total (30 minimum)</b>	<b>32</b>

\*These courses are part of the Emergency Medical Services-Paramedic (SOF) core requirements and fulfill CAHS' residency requirements.

- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisites:

- English Composition (3 SH), Oral Communication (3 SH), Humanity (3 SH), College Level Math (3 SH)

**All prerequisite transfer coursework requires evaluation by the College of Allied Health Sciences from an official transcript prior to student enrollment.**

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication ( 6 minimum)		Major Technical Field of Study (15 minimum )	
Oral – Transfer Coursework	3	OTA 2403* - Client Evaluations and Assessment	4
Written – Transfer Coursework	3	OTA 2604* - Clinical Interventions	6
Quantitative Science ( 9 minimum)		OTA 2305* - Client Conditions	3
Math – Transfer Coursework	3	OTA 2100* - Situational Training Exercise	1
OTA 2402* - Human A&P Kinesiology	4	OTA 2209* - OTA Fieldwork	2
OTA 2408* - Clinical Analysis and Reasoning	4	OTA 2991* - OTA Clinical Practicum I	10
OTA 1201* - Fund of Occupational Therapy	2	OTA 2992* - OTA Clinical Practicum II	10
Human Science ( 6 minimum)			
Humanity – Transfer Coursework	3		
Social Science – Transfer Coursework	3		
Additional General Education			
General Education 1 – Transfer Coursework	2		
General Education 2 – Transfer Coursework	3		
<b>General Education Requirements Total (30 minimum)</b>	<b>30</b>	<b>Major/General Elective Requirements Total (30minimum)</b>	<b>36</b>

\*These courses are part of the Occupational Therapy Assistant core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 17 Feb 2021

Uniformed Services University

College of Allied Health Sciences

Degree Plan

**Degree: Associate of Science in Health Sciences (ASHS)**

**Major: Occupational Therapy Assistant (Navy)**

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of “C-“ or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisites:

- English Composition (3 SH), Oral Communication (3 SH), Humanity (3 SH), College Level Math (3 SH)

**All prerequisite transfer coursework requires evaluation by the College of Allied Health Sciences from an official transcript prior to student enrollment.**

Uniformed Services University

College of Allied Health Sciences

Degree Plan

**Degree: Associate of Science in Health Sciences (ASHS) Major: Radiologic Technologist (Army)**

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of “C-“ or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives up to 15 semester hours (if needed to achieve 60 semester hours)

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
<b>Communication (6 minimum)</b>		<b>Major Technical Field of Study (15 minimum )</b>	
Oral – Transfer Coursework	3	<b>RADT 1101* - Introduction to Radiology</b>	<b>1</b>
Written – Transfer Coursework	3	<b>RADT 2506* - Rad Proc Skull and Spine w/Lab</b>	<b>5</b>
