

Uniformed Services University College of Allied Health Sciences

Associate Degree Plans

# Table of Contents

- Cardiovascular Technician
- Emergency Medical Services Paramedic Army
- Emergency Medical Services SOF (SOCM) (Air Force)
- Emergency Medical Services SOF (SOCM) (Navy)
- Education and Training Administration and Leadership (ETAL)
- Histology Technician (Air Force)
- Histology Technician (Navy)
- Neurodiagnostic Technologist (Air Force)
- Neurodiagnostic Technologist (Navy)
- Occupational Therapy Assistant (Army)
- Occupational Therapy Assistant (Navy)
- Ophthalmic Technician (Air Force)
- Ophthalmic Technician (Army)
- Opticianry (Army)
- Opticianry (Navy)
- Pharmacy Technician (Air Force)
- Pharmacy Technician (Army)
- Pharmacy Technician (Coast Guard)
- Pharmacy Technician (Navy)
- Preventive Medicine Technician (Army)
- Preventive Medicine Technician (Navy)
- Radiation Health Technician (Navy)
- Radiologic Technologist (Air Force)
- Radiologic Technologist (Army)
- Radiologic Technologist (Navy)
- Respiratory Care Practitioner (Air Force)
- Respiratory Therapy (Army)
- Respiratory Therapy (Navy)
- Urology Technician (Air Force)
- Urology Technician (Navy)

## **College of Allied Health Sciences**

## **Degree Plan**

#### Degree: Associate of Science in Health Sciences (ASHS)

Major: Cardiovascular Technician (Navy)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

General Education Requirements (30)	Hours	Major / General Elective Requirements (30)	Hours
<b>Communication (6 minimum)</b>		Major Technical Field of Study (minimum 15)	
Oral – Transfer Coursework	3	CVTT 1140* Cardiovascular Pathophysiology w/ Lab	1
Written - Transfer Coursework	3	CVTT 1120* Cardiovascular Radiology Equipment & Methodology	1
Quantitative Science (9 minimum)	_	CVTT 2504* Diagnostic Echocardiography w/Lab	5
CVTT 2301* Critical Care	3	CVTT 1350* Cardiac Catheterization w/Lab	3
CVTT 1304* Cardiovascular Anatomy & Physiology w/Lab	3	CVTT 1204* Diagnostic Electrocardiography I w/Lab	2
CVTT 1202* Physics for the Health Sciences	2	CVTT 1305* Diagnostic Electrocardiography II w/Lab	3
CVTT 1203* Cardiovascular Pharmacology	2	CVTT 1206* Electrophysiology w/Lab	2
CVTT 2158* Blood Gas Analysis	1	CVTT 2501* Cardiovascular Technologist Clinical I	5
Human Science (6 minimum)		CVTT 2502* Cardiovascular Technologist Clinical II	5
CVTT 1301* Essentials of Medical Law & Ethics for Health Professionals	3	CVTT 3601* Cardiovascular Technologist Clinical III	6
Social Science - Transfer Coursework	3	CVTT 2503* Catheterization Clinical Rotation I	5
Additional General Education		CVTT 3501* Catheterization Clinical Rotation II	5
CVTT 2102* Pre-Clinical & Registry Assessment	1	CVTT 3401* Catheterization Clinical Rotation III	4
General Education 1 - Transfer Coursework	3		
General Education 2 - Transfer Coursework	3		
General Education Requirements Total	30	Major /Gen Elective Requirements Total (minimum 30)	47

\*These courses are part of the Cardiovascular Technician core requirements for Navy and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 08 Dec 2021

**College of Allied Health Sciences** 

Degree Plan

## Degree: Associate of Science in Health Sciences (ASHS) Major: Emergency Medical Services Paramedic (Army)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisite:

• Combat Medic Specialist (68W) with current EMT-B certification.

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication (6 minimum)		Major Technical Field of Study (15 minimum )	
Oral – Transfer Coursework	3	EMSP 2305* - Clinical – Paramedic	3
EMSA 2301* - Technical Writing	3	EMSP 2109* - Clinical II – Paramedic	1
Quantitative Science (9 minimum)		EMSP 2402* - Medical Emergencies	4
Math – Transfer Coursework	3	EMSP 2308* - Special Populations	3
EMSP 1401* - Anatomy and Physiology I w/Lab	4	EMSP 2403* - Cardiology	4
EMSP 2201* - Emergency Pharmacology	2	EMSP 2210* - Practicum – Paramedic	2
Human Science (6 minimum)		EMSP 2401* - Anatomy and Physiology II w/Lab	4
Humanity – Transfer Coursework	3	General Electives	
Social Science – Transfer Coursework	3	EMSA 1204* - Clinical Advanced Emergency Medical Technician	2
<b>Additional General Education</b>		EMSA 1402* - Introduction to Advanced Practice	4
EMSA 1303* - Trauma Management	3	EMSA 2107* - Assessment Based Management	1
EMSA 2302* - Emergency Medical Services Operations	3	EMSA 2106* - Advanced Cardiac Life Support	1
General Education – Transfer Coursework	3	EMSA 1301* - Patient Assessment and Airway Management	3
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	32

\*These courses are part of the Emergency Medical Services-Paramedic core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 24 May 2021

## **College of Allied Health Sciences**

#### Degree Plan

#### Degree: Associate of Science in Health Sciences (ASHS)

Major: Emergency Medical Services-Paramedic (Army-SOF)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication (6 minimum)		Major Technical Field of Study (15 minimum )	
EMSA 3332* - Communication Skills for Health Care Professionals	3	EMSP 2305* - Clinical I – Paramedic	3
EMSA 2301* - Technical Writing	3	EMSP 2109* - Clinical II – Paramedic	1
Quantitative Science (9 minimum)	I	EMSP 2402* - Medical Emergencies	4
EMSA 1309* - Medical Math	3	EMSP 2308* - Special Populations	3
EMSP 1401* - Anatomy and Physiology I w/Lab	4	EMSP 2403* - Cardiology	4
EMSP 2201* - Emergency Pharmacology	2	EMSP 2210* - Practicum – Paramedic	2
Human Science (6 minimum)		EMSP 2401* - Anatomy and Physiology II w/Lab	4
Social Science – Transfer Coursework	3	<b>General Electives</b>	
EMSA 2321* - Health Care Provider Medical Ethics	3	EMSA 1204* - Clinical Advanced Emergency Medical Technician	2
Additional General Education		EMSA 1402* - Introduction to Advanced Practice	4
EMSA 1303* - Trauma Management	3	EMSA 2107* - Assessment Based Management	1
EMSA 2302* - Emergency Medical Services Operations	3	EMSA 2106* - Advanced Cardiac Life Support	1
General Education – Transfer Coursework	3	EMSA 1301* - Patient Assessment and Airway Management	3
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	32

\*These courses are part of the Emergency Medical Services-Paramedic (SOF) core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 14 June 2021

General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	32

\*These courses are part of the Emergency Medical Services-Paramedic (SOF) core requirement and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 21 April 2020

**College of Allied Health Sciences** 

Degree Plan

Degree: Associate of Science in Health Sciences (ASHS) Major: Education and Training Administration and Leadership (ETAL)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisite:

• Assigned as an Instructor for an approved College of Allied Health Sciences Program

General Education Requirements (30)	Hours	Major / General Elective Requirements (30)	Hours
Communication (6 minimum)		Major field of Study (minimum 15)	
Oral – Transfer Coursework	3	Instructor Qualification / Basic Instructor Course – Transfer Coursework Varies by Service	1-8
Written - Transfer Coursework	3	ETAL 2702* - Basic ETAL Practicum	7
Quantitative Science (9 minimum)		ETAL 3803* - Advanced ETAL Practicum	8
Math - Transfer Coursework	3		
Natural Science - Transfer Coursework	3		
Health Science - Transfer Coursework	3		
Human Science (6 minimum)			
Humanity - Transfer Coursework	3		
Social SCI - Transfer Coursework	3		
Additional General Education		General Electives	
General Education – Transfer Coursework	9	General Electives – Transfer Coursework	7-14
General Education Requirements Total	30	Major /Gen Elective Requirements Total (minimum 30)	30

\*These courses are part of the ETAL core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

## **College of Allied Health Sciences**

Degree Plan

#### Degree: Associate of Science in Health Sciences (ASHS)

Allied Health

> Uniformed Services University

> > Major: Histology Technician (Air Force)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives up to 15 semester hours (if needed to achieve 60 semester hours)

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication (6 minimum)		Major Technical Field of Study (15 minimum)	
Oral – Transfer Coursework	3	HSL 1101* - Introduction to Laboratory Science	1
Written – Transfer Coursework	3	HSL 1102* - Basic Scientific Information	1
Quantitative Science (9 minimum)		HSL 1103* - Specimen Processing for Histology	1
Math – Transfer Coursework	3	HSL 1204* - Routine Technical Procedures	2
HLS 2306* - Anatomy and Tissue ID	3	HSL 2205* - Special Stains for Histology	2
Health Science – Transfer Coursework	3	HSL 2107* - Autopsy Procedures	1
Human Science (6 minimum)		HSL 2108* - Cytopreparatory Techniques	1
Humanity - Transfer Coursework	3	HSL 2109* - Immunochemistry	1
Social Science – Transfer Coursework	3	HSL 3501* - Histology Practicum I	5
Additional General Education		HSL 3122* – Histology Practicum II	12
General Education 1 - Transfer Coursework	3	HSL 4503* - Histology Practicum III	5
General Education 2 – Transfer Coursework	3	HSL 4504* - Histology Clinical I	5
General Education 3 – Transfer Coursework	3	HSL 4505* - Histology Clinical II	5
		HSL 4506* - Histology Clinical III	5
General Education Requirements Total (30 minimum)	30	Major and General Elective Requirements Total (30 minimum)	47

\*These courses are part of the Histology Technician core requirements for Air Force personnel and fulfill CAHS' residency requirements.

To receive the ASHS degree , all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 13 Oct 2020

**College of Allied Health Sciences** 

Degree Plan

## Degree: Associate of Science in Health Sciences (ASHS) Major: Histology Technician (Navy)

### **College of Allied Health Sciences**

Degree Plan

#### Degree: Associate of Science in Health Sciences (ASHS)

Major: Neurodiagnostic Technologist (Air Force)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisite:

• Aerospace Medical Services Apprentice (Approximately 20 semester hour of transfer credit)

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication (6 minimum)		Major Technical Field of Study (15 minimum )	
Oral – Transfer Coursework	3	NDTS 1301* - Fundamental Neurodiagnostic	3
Written - Transfer Coursework	3	NDTS 2101* - Neuroanatomy and Physiology	1
Quantitative Science (9 minimum)		NDTS 2202* - Intermediate Neurodiagnostic	2
Math – Transfer Coursework	3	NDTS 2503* - Neurodiagnostic Tech Science I	5
Natural Science – Transfer Coursework	3	NDTS 2104* - Neurodiagnostic Tech Science II	1
Health Science – Transfer Coursework	3	NDTS 2405* - Evoked Potentials	4
Human Science (6 minimum)		NDTS 2506* - Nerve Conductions Studies	5
Humanity – Transfer Coursework	3	NDTS 2307* - Polysomnography	3
Social Science – Transfer Coursework	3	NDTS 2901* - NDT Clinical Practicum I	9
Additional General Education		NDTS 2902* - NDT Clinical Practicum II	9
General Education – Transfer Coursework	3		
General Education – Transfer Coursework	3		
General Education – Transfer Coursework	3		
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	42

\*These courses are part of the Neurodiagnostic Technologist core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS
- 2) Submit CAHS request for graduation.

As of: 22 Jan 2021

## **College of Allied Health Sciences**

#### Degree Plan

#### Degree: Associate of Science in Health Sciences (ASHS)

Major: Neurodiagnostic Technologist (Navy)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives up to 15 semester hours (as may be needed to achieve 60 semester hours)

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication (6 minimum)		Major Technical Field of Study (15 minimum)	
Oral – Transfer Coursework	3	NDTS 1301* - Fundamental Neurodiagnostic	3

Natural Science – Transfer Coursework	3	NDTS 2104* - Neurodiagnostic Tech Science II	1
Health Science – Transfer Coursework	3	NDTS 2405* - Evoked Potentials	4
Human Science (minimum)		NDTS 2506* - Nerve Cond/Electromyography	5
Humanity – Transfer Coursework	3	NDTS 2307* - Polysomnography	3
Social Science – Transfer Coursework	3	NDTS 2901* - NDT Clinical Practicum I	9
Additional General Education	<u>.</u>	NDTS 2902* - NDT Clinical Practicum II	9
General Education 1 – Transfer Coursework	3		
General Education 2 – Transfer Coursework	3		
General Education 3 – Transfer Coursework	3		
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	42

\*These courses are part of the Neurodiagnostic Technologist core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 22 Jan 21

## **College of Allied Health Sciences**

Degree Plan

#### Degree: Associate of Science in Health Sciences (ASHS)

Major: Occupational Therapy Assistant (Army)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisites:

• English Composition (3 SH), Oral Communication (3 SH), Humanity (3 SH), College Level Math (3 SH)

All prerequisite transfer coursework requires evaluation by the College of Allied Health Sciences from an official transcript prior to student enrollment.

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication ( 6 minimum)		Major Technical Field of Study (15 minimum )	
Oral – Transfer Coursework	3	OTA 2403* - Client Evaluations and Assessment	4
Written – Transfer Coursework	3	OTA 2604* - Clinical Interventions	6
Quantitative Science (9 minimum)	L	OTA 2305* - Client Conditions	3
Math – Transfer Coursework	3	OTA 2100* - Situational Training Exercise	1
OTA 2402* - Human A&P Kinesiology	4	OTA 2209* - OTA Fieldwork	2
OTA 2408* - Clinical Analysis and Reasoning	4	OTA 2991* - OTA Clinical Practicum I	10
OTA 1201* - Fund of Occupational Therapy	2	OTA 2992* - OTA Clinical Practicum II	10
Human Science (6 minimum)			
Humanity – Transfer Coursework	3		
Social Science – Transfer Coursework	3		
<b>Additional General Education</b>			
General Education 1 – Transfer Coursework	2		
General Education 2 – Transfer Coursework	3		
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30minimum)	36

\*These courses are part of the Occupational Therapy Assistant core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

As of: 17 Feb 2021

Natural Science – Transfer Coursework	3	OPHT 2104* - Operational Ophthalmic Care	1
Quantitative Science – Transfer Coursework	1	<b>OPHT 2703* - Clinical Practicum</b>	7
OPHT 1203* - Optics	2	General Electives	
Human Science (6 minimum)		General Education – Transfer Coursework	13
Humanity – Transfer Coursework	3		
Social Science – Transfer Coursework	3		
Additional General Education			
General Education – Transfer Coursework	9		
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	30

\*These courses are part of the Ophthalmic core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

## **College of Allied Health Sciences**

#### Degree Plan

#### Degree: Associate of Science in Health Sciences (ASHS)

Major: Opticianry (Army)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication (6 minimum)		Major Technical Field of Study (15 minimum )	
Oral – Transfer Coursework	3	<b>OPTS 2201* - Ophthalmic Techniques</b>	2
Written – Transfer Coursework	3	<b>OPTS 1401* - Ophthalmic Dispensing</b>	4
Quantitative Science (9 minimum)	1	OPTS 1309* - Ophthalmic Laboratory I	3
<b>OPTS 1305* - Geometrics Optics</b>	3	<b>OPTS 1349* - Ophthalmic Laboratory II</b>	3
Natural Science – Transfer Coursework	3	<b>OPTS 2303* - Optical Laboratory</b>	3
Health Science – Transfer Coursework	3	OPTS 1311* - The Visual System	3
Human Science ( 6 minimum)		<b>OPTS 2345* - Advanced Ophthalmic Techniques</b>	3
Humanity – Transfer Coursework	3	<b>OPTS 2304* - Optical Clinical Practicum</b>	3
Social Science – Transfer Coursework	3	<b>OPTS 2202* - Introduction to Optometry in an Applied</b> Setting	2
Additional General Education			
General Education 1 – Transfer Coursework	3		
General Education 2 – Transfer Coursework	3	General Electives	
General Education 3 – Transfer Coursework	3	General Elective 1 – Transfer Coursework	4
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	30

\*These courses are part of the Opticianry core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

RSPT 1340* - Advanced Cardiopulmonary A&P	3	RSPT 2101* - Advanced Mechanical Ventilation	1
RSPT 2201* - Airway Assessment and Management	2	RSPT 2353* - Neonatal/Pediatric Cardiopulmonary Care	3
RSPT 2317* - Respiratory Care Pharmacology	3	RSPT 2143* - Research in Respiratory Care	1
RSPT 3102* - Pulmonary Pathologies	1	RSPT 1102* - Respiratory Care Therapist Practicum I	1
RSPT 1203* - Introduction to Anatomy and Physiology	2	RSPT 2403* - Respiratory Care Therapist Practicum II	4
Human Science (6 minimum)		RSPT 2404* - Respiratory Care Therapist Practicum III	4
Humanity – Transfer Coursework	3	RSPT 3405* - Respiratory Care Therapist Practicum IV	4
Social Science - Transfer Coursework	3	RSPT 3406* -Respiratory Care Therapist Practicum V	4
<b>Additional General Education</b>		RSPT 3407* - Respiratory Care Therapist Practicum VI	4
General Education – Transfer Coursework	4	RSPT 1425* - Respiratory Care Science w/Lab	4
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	41

\*These courses are part of the Respiratory Therapy core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

### **College of Allied Health Sciences**

Degree Plan

#### **Degree:** Associate of Science in Health Sciences (ASHS)

Major: Respiratory Therapy (Navy)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisite:

• English Composition (3 SH), Oral Communication (3 SH), College Math (3 SH); and Humanities (3 SH)

# All prerequisite transfer coursework must be evaluated by the College of Allied Health Sciences from an official transcript prior to student enrollment.

General Education Requirements (30)	Hours	Major/Gen Elective Requirements (30)	Hours
Communication ( 6 minimum)		Major Technical Field of Study (15 minimum)	
Oral – Transfer Coursework	3	RSPT 1101* - Introduction to Respiratory Care	1
Written – Transfer Coursework	3	RSPT 1310* - Respiratory Care Procedures	3
Quantitative Science (9 minimum)		RSPT 2302* - Diagnostic Monitoring	3
Math – Transfer Coursework	3	RSPT 2414* - Mechanical Ventilation	4
RSPT 1340* - Advanced Cardiopulmonary A&P	3	RSPT 2101* - Advanced Mechanical Ventilation	1
RSPT 2201* - Airway Assessment and Management	2	RSPT 2353* - Neonatal/Pediatric Cardiopulmonary Care	3
RSPT 2317* - Respiratory Care Pharmacology	3	RSPT 2143* - Research in Respiratory care	1
RSPT 3102* - Pulmonary Pathologies	1	RSPT 1102* - Respiratory Care Therapist Practicum I	1
Human Science (6 minimum)		RSPT 2403* - Respiratory Care Therapist Practicum II	4
Humanity – Transfer Coursework	3	RSPT 2404* - Respiratory Care Therapist Practicum III	4
Social Science - Transfer Coursework	3	RSPT 3405* - Respiratory Care Therapist Practicum IV	4
<b>Additional General Education</b>		RSPT 3406* -Respiratory Care Therapist Practicum V	4
General Education – Transfer Coursework	6	RSPT 3407* - Respiratory Care Therapist Practicum VI	4
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	37

\*These courses are part of the Respiratory Therapy core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.

Degree Plan

## Degree: Associate of Science in Health Sciences (ASHS) Major: Urology Technician (Air Force)

The ASHS degree requires at least 60 semester hours with:

- GPA of at least 2.0 and a grade of "C-" or better in all courses
- Residence of at least 25% of the degree plan
- General Education of at least 30 semester hours
- Major Technical Field of Study of at least 15 semester hours
- General Electives (if needed to achieve 60 semester hours)

Prerequisite:

• Surgical Technologist Program (approximately 20 semester hours of CCAF transfer credit)

General Education Requirements (30)	Hours	Major and General Elective Requirements (30)	Hours
Communication (6 minimum)		Major Technical Field of Study (15 minimum )	
Oral – Transfer Coursework	3	URT 3301* - Introduction to Urology A&P, Genitourinary Disorder and Cancers	3
Written – Transfer Coursework	3	URT 3202* - Urologic Radiology	2
Quantitative Science (minimum)		URT 3203* - Clinical Urology (didactic)	2
Math – Transfer Coursework	3	URT 3904* - Clinical Rotation I (clinical)	9
Natural Science – Transfer Coursework	3	URT 4405* - Clinical Rotation II (clinical)	4
Health Science – Transfer Coursework	3		
Human Science ( 6 minimum)			
Humanity – Transfer Coursework	3		
Social Science – Transfer Coursework	3		
<b>Additional General Education</b>		<b>General Electives</b>	
General Education – Transfer Coursework	9	General Electives – Transfer Coursework	10
General Education Requirements Total (30 minimum)	30	Major/General Elective Requirements Total (30 minimum)	30

\*These courses are part of the Urology Technician core requirements and fulfill CAHS' residency requirements.

To receive the ASHS degree, all CAHS' students must:

- 1) Complete all coursework above and send official transcript(s) to CAHS.
- 2) Submit CAHS request for graduation.
